PLEASE NOTE THE FOLLOWING:

SAMUEL ELLIS. The entry in the 1933 census is an error. There is no such person on this Roll, and never has been, as "Samuel Ellis, Head of the family". The only Samuel Ellis on the roll is Samuel Ellis, the son of James K. Ellis. This child was born in 1923 and still lives. The Census Rolls have been checked, year by year, back to 1922, to verify this. The entry of the second Samuel Ellis, made by the clerk who wrote the 1933 Census, is an error.

Gila Allottee 2022 - KATIE CHARLES. - RIGGS-CARLOS-LEWIS-MISTO-WHITTIER. This woman is well known to some of the personnel in this office. She is the sister of Eva Charles, who also was married several times, and about whom the Office questioned. Katie has borne the names as listed above. Personal contact with her discloses the fact that she was born in 1883. The Census Roll is being changed to agree with this statement. The census roll shows Katie as the wife of Gila Allottee 1423 - John G. Whittier. However, the clerk keeping these records has just been informed that she has left John G. Whittier and has married an Indian at Salt River, whose name we have not yet learned. This will be checked further for verification.

Gila Allottee 1756 - MINNIE MEYERS. This woman is the wife of Gila Allottee 506 - Albert Jones Miguel. He is also known as "Albert Matthews", and she was carried in the 1933 Census under both names. On November 27, 1933, when her daughter Patricia was born, she stated that she was 43 years of age, having been born in 1890. The identity of this woman is known to the office personnel, as she is the sister of the wife of one of our office policemen. The correctness of this duplication has been carefully established.

Gila Allottee 2826 - Mary Sundust (Norton.) This woman is the daughter of Gila Allottee 2810 - Sundust (no first name), A Maricopa Indian who died December 19, 1928. At the time of the hearing to settle this estate Mary stated that she was 46 years of age, having been born in 1883. The entry in the 1935 Census is incorrect, and a correction has been made, making her birth year 1883. The duplication is, however, correct. Mary was married to an Apache named Frank Norton, and they have one daughter named Dolores. However, through error, at the time of the birth of this child the mother was listed as single, and the child as illegitimate. This has been carefully checked, and the age of Mary established by her own statement at the time of her father's hearing.

The attention of the Office is respectfully directed to the fact that, in the past, many details of the Census Roll were very casually made. However, the clerk handling this work at present is continually checking up for details, and obtaining information through personal contact with Indians, and no opportunity is lost to obtain correct and authentic information for Census purposes.
